E2 Heinrich

Anna had separated from her husband and lived in Kronsberg.  
It was suspected that Henry belonged to the Communist Party and  
that he had told someone to set fire to the house that his wife  
and children (with others) occupied, in which they all died.  
Henry went to Siberia and nothing has been heard from him since  
the late 1930ies.

He was referred to as "Schweifkopf Bergmann".
