Miss Kay Peters

WINNIPEG, Manitoba
R2G 0P1

Dear Miss Peters,

On behalf of the Centre for Mennonite Brethren Studies I want to thank you in advance for your generosity in donating your **excellent** collection of genealogical materials to the Centre. It will be an amazing boost to our Centre to have such a collection.

Regarding the materials on the Froese family. Enclosed please find a copy of what was given to me by Jake Froese. Should you be able to help us out with some more information please let me know. I realize your present state of health, and please do not feel obligated. It can wait until we move the collection here to the Centre. But for your own interest and information I thought I would send this to you anyway.

Please accept our thoughts and prayers. Both Willa and I are concerned for you. We will be remembering you daily.

Very Sincerely,

Ken Reddig
Conference Archivist

F R O E S E

Information on the Froese family was obtained from Mrs. Aaron Penner by Mrs. Aaron Dyck some years ago. This information lacks most specific details, such as dates; but it has been sufficient to locate the Froese's of Steinbach and Sperling as an integral part of this family.

Just where a Froese married into the Paetkau family is clear enough. But what is also clear is that the Hildebrand family of Sperling also married into the Paetkau family at this same point. This we shall discover soon enough.

But no real substantial information has yet been obtained; only that Elisabeth Paetkau first married a Heinrich Hildebrandt, had 4 children at the time of his death, and married a Cornelius Froese, who together raised a somewhat larger family.
